NOTICE OF PROPOSED RULE MAKING

Adopted: April 21, 1999

Released: April 30, 1999

Comment Date: June 21, 1999

Reply Date: July 6, 1999

By the Chief, Allocations Branch

1. Before the Commission for consideration is a multiple docket Notice of Proposed Rule Making setting forth separate proposals to amend the FM Table of Allotments, Section 73.202(b) of the Rules. Each petitioner has stated that it will apply for its requested channel, if allotted.

We believe that each proposal warrants consideration because it complies with our technical requirements and would serve the public interest.

2. This is a multiple docket Notice of Proposed Rule making issued in response to a Commission Public Notice released October 2, 1998 (DA 98-1987). We are combining separate FM allotment proposals into a single Notice of Proposed Rule Making. Each proposal has its own docket and rule making number and the Commission's Reference Center will maintain a separate file for each docket. As discussed in the Public Notice, this procedure will conserve Commission resources and expedite the processing of FM allotment petitions for rule making by avoiding duplicative actions. We request comments and/or counterproposals to the following proposals:

A. MM Docket No. 99-132, RM-9525

Petitioner: West Wind Broadcasting

c/o Victor A. Michael, President
West Wind Broadcasting
6807 Foxglove Drive
Cheyenne, Wyoming 82009

Proposal: Allot Channel 258A at Midland, Maryland, as the community's first local broadcast service.

Community	Present	Proposed
Midland, Maryland	-----	258A

Coordinates: 39-40-19 NL and 78-57-25 WL

Additional Information: Channel 258A can be allotted to Midland with a site restriction. 9.1 kilometers (5.7 miles) north of the community. The site restriction will prevent a conflict with Channel 261A, Station WDZN, Romney, West Virginia. Canadian concurrence will be requested for the allotment at Midland as the proposed site is located within 320 kilometers of the U.S.-Canadian border. Midland is an incorporated community with its own post office and zip code (21542) and has a population of 574 people according to the 1990 U.S. Census.

B. MM Docket No. 99-133, RM-9523

Petitioner: Mountain West Broadcasting

c/o Victor A. Michael, President,
Mountain West Broadcasting
6807 Foxglove Drive
Cheyenne, Wyoming 82009

Proposal: Allot Channel 230A at Evergreen, Montana, as the community's first local broadcast service.

Community	Present	Proposed
Evergreen, Montana	-----	230A

Coordinates: 48-13-33 NL and 114-16-31 WL

Additional Information: Channel 230A can be allotted to Evergreen without a site restriction. Canadian concurrence will be requested since Evergreen is located within 320 kilometers of the U.S.-Canadian border. According to the 1998 Rand McNally Commercial Atlas and Marketing Guide, Evergreen is a Census Designated Place with a population of 4,109 people. Evergreen is located in Flathead County and utilizes a Kalispell post office and zip code.

C. MM Docket No. 99-134, RM-9543 and RM-9572

In this proposal, the Commission considers two separately-filed petitions for rule making that are mutually exclusive. We shall provide each proponent an opportunity to demonstrate in comments why its community should be preferred. In this regard, the parties should be guided by the allotment criteria set forth in Revision of FM Assignment Policies and Procedures, 90 FCC 2d 88 (1982).

Petitioners: Mountain West Broadcasting	Battani Corporation
c/o Victor A. Michael, President	Robert Lewis Thompson
Mountain West Broadcasting	Taylor thiemann & Aitken, L.C.
6807 Foxglove Drive	908 King Street, Suite 300
Cheyenne, Wyoming 82009	Alexandria, Virginia 22314

Proposal: Allot Channel 269C3 at Victor, Montana (RM-9543), as the community's first local broadcast service or Channel 268C at Drummond, Montana (RM-9572), as a first local service in that community..

Community	Present	Proposed
Victor, Montana	-----	269C3

OR

Drummond, Montana ----- 268C

Coordinates: 46-25-00 NL and 114-08-57 WL for Channel 269C3, Victor

46-16-47 NL and 113-31-05 WL for Channel 268C, Drummond

Additional Information: Channel 269C3 can be allotted to Victor without a site restriction. Since Victor is located within 320 kilometers of the U.S.-Canadian border, concurrence of the Canadian government will be requested for this allotment. Additionally, we find that Victor is an incorporated community with a population of 500 people according to the 1990 U.S. Census. Victor is located in Ravalli County and has its own post office and zip code (59875).

Channel 268C can be allotted to Drummond with a site restriction 51.8 kilometers (32.2 miles) southwest of the community. The site restriction avoids a short spacing to Station KZMT, Channel 266C, Helena, Montana. Since Drummond is located within 320 kilometers of the U.S.-Canadian border, concurrence of the Canadian government will be requested for this allotment. Additionally, we find that Drummond is an incorporated community located in Granite county. Drummond has its own post office and zip code (59832) and the 1990 U.S. Census credits the community with a population of 264 people. Parties filing comments are requested to present the Commission with specific information to demonstrate that Drummond has the social, economic and governmental indicia to qualify it as a "community" for allotment purposes. See Gretna, marianna, quincy and Tallahassee, Florida, 6 FCC Rcd 633 (1991) and cases cited therein.

Community	Present	Proposed
Groveton, Texas	-----	251A

Coordinates: 31-03-30 NL and 95-07-36 WL

Additional Information: The channel can be allotted to Groveton without a site restriction. Additionally, we find that Groveton is incorporated and the County Seat of Trinity County. Groveton has its own post office and zip code (75845) and has a population of 1,071 people according to the 1990 U.S.-Census.

Additional Information: There is a site restriction 12 kilometers (7.4 miles) southwest of the community. Canadian concurrence will be requested for the allotment at Babb, Montana. According to the 1998 edition of the Rand McNally Commercial Atlas and Marketng Guide, Babb has a population of 45 people. Parties filing comments are requested to present the Commission with specific information to demonstrate that Babb has the social, economic and governmental indicia to qualify it as a "community" for allotment purposes.
